

EXPLORERS COMPASS

SPRING BREAK!!!

APPLY BY SATURDAY for 2020-21

The 2020-21 application is now live on the website. All returning families must complete the online application to reserve a spot. Some grade levels are filling quickly. Admission will open to new families on March 1. Class registration opens March 15. Application fee of \$115 must be paid before you can register for classes.

Upstairs Girls Bathroom » We are having an issue with the Girls Upstairs Bathroom door being locked when not in use. Please talk to your kids about this. We certainly hope this is not being done on purpose as it causes quite the inconvenience for students and teachers alike.

Standardized Testing » The Iowa Test will be offered at Grace Point on April 15 and 16, 8am-12pm each day for grades 3-12. Cost is \$35 for Explorers Families, \$55 for non-Explorers families. Registration ends March 25.

Register at: <http://www.explorershomeschool.com/iowa-achievement-testing.html>

A Friendly Note from Your Explorers Yearbook Staff:

Hello! We are all hard at work creating this year's yearbook. You should have received an email from TreeRing.com with an invitation to create your very own account. Once you do, you will be able to easily upload all those great co-op photos in a snap from your phone via TreeRing's app. It will also allow you to customize 2 FREE pages which will be printed only in YOUR book! And last but not least, your students will be able to digitally autograph each other's books. If you haven't received the invitation email, please contact us at explorersyrbk@gmail.com or call/text Sommer Miller at 423-827-3787.

Did you know that this is our co-op's 10 year anniversary? If you have photos you'd like to share from years ago, we would love to have them!

Calling all parents of Seniors!!! Purchase your graduate an ad which will forever commemorate this year and their great accomplishment. A folder has been added to the mail/file box in the front titled, "Yearbook Forms."

Yearbooks will go on sale in a couple weeks; so, be on the lookout for more information. We are working diligently on getting the BEST price for you!
